VERTICAL BAND SAW

15" / 18"

PRECISION CUTTING
FOR A WIDER TOMORROW

Built for industrial workshops, the INMAC vertical band saw delivers powerful performance, high stability and precise cutting for metal and wood applications.

HEAVY-DUTY CONSTRUCTION

VARISBLE SPEED CONTORL

PRECISION BLADE GUIDES

SAFE & EASY OPERATION

IDEAL FOR VARIOUS MATERIALS & APPLICATIONS

METAL FABRICATION

WOODWORKING

MOLD & DIE MAKING

GENERAL WORKSHOP

FEATURES & BENEFITS

HEAVY-DUTY STEEL CONSTRUCTION
Uni-welded frame for high rigidity, ninimal deflection and less vibration.

VARIABLE SPEED WITH LED READOUT
Quick and easy speed changes. Allows proper SFPM to match blade and material.

HEAVY-DUTY OIL BATH GEAR BOX
Provides consistent power for ferrous and non-ferrous metal cutting applications.

CHIP BLOWER
Removes chips from the cutting area and cools the blade, keeping your workspace clean and safe.

LARGE CAST IRON TILTING TABLE
Handles larger workpieces with adjustable fence for ripping, slicing or splitting.

CARBIDE BLADE GUIDES
Easily adjusted for different blade sizes. Provides maximum blade support and longer blade life.

SPECIFICATIONS

MODEL	15"	18"
THROAT CAPACITY	15 in	18 in
MAX. CUTTING HEIGHT	10 in	10 in
TABLE SIZE	23⅝ × 21⅝ in	21½ × 23½ in
BLADE WIDTH	⅛–⅝ in	⅛–⅝ in
BLADE LENGTH	117¼–120¾ in	138–141 in
BLADE SPEED	75–385 SFPM	82–385 SFPM
DRIVE MOTOR	1.5 HP	1.5 HP

RUGGED DESIGN
FOR INDUSTRIAL USE

STABLE PERFORMANCE
HIGHER PRODUCTIVITY

SAFE OPERATION
RELIABLE QUALITY
